Payment Installment Agreement

Balance will be paid in monthly installments automatically deducted without interest from a credit card or checking account. I authorize Solaris Racquet Club to automatically charge my credit card or checking account for the monthly charges listed below due under this payment plan. I will pay _____ payments of _____ beginning at the start of the session.

Failed Credit Card Payment Policy

I understand that it is my responsibility to make sure that the credit card and number listed on this agreement are current and valid. If for any reason any monthly dues charge is not accepted by the credit card company, I understand that a service charge will be added to my bill and that I am responsible for payment.

NSF Charge Policy

I understand that it is my responsibility to ensure that sufficient funds are in my checking account to cover monthly charges, as the account will only be charged once each month. I understand any charge rejected because of insufficient funds (NSF) will result in a service charge which will be billed to me along with monthly dues that were rejected. I understand that I am responsible for payment of such charges. I understand this application cannot be processed unless a voided check showing your account number is attached. I elect to charge my monthly dues directly to my bank account. I hereby authorize any delinquent dues or charges to be automatically transferred to the credit card listed below. This information is required for application acceptance.
